Her fellow workers call her the mountaineering pro.
Her fellow mountaineers call her the SAP pro.

At IBM, we always focus on our people, not projects; on achievement, not hours. We're serious about developing new ways for people to think and to interact. To manage their businesses and manage their lives. From changing your stream of work and flexible work arrangements that are unique in the industry, to training, learning and global opportunities - we provide everything you need to work, learn and play. So if you're looking to innovate your career, you know where to apply.

what makes you special?

IBM®

IBM offers more than 13,000 SAP practitioners across the globe, an average of seven years of hands-on SAP experience. Our consultants have extensive experience in delivering SAP solutions across various industries – from healthcare and financial services to telecommunications and manufacturing – to help ensure that your SAP deployment meets unique business demands.

Log on to www.ibm.com/careers/in for opportunities in SAP Functional, ABAP and BASIS Consulting.oxoxoxoxoxxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxo xoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxxoxoxoxoxoxxoxoxoxoxo xoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxoxx
